## **Elevations Credit Union and the Elevations Foundation Step Up for High Park Fire Victims**

**Boulder, CO** — The Elevations Foundation presented the Long Term Recovery Group of Northern Colorado with a check for \$36,312.59 today. “As the tragedy of the High Park Fire unfolded it became clear to us that we needed to mobilize and establish a fire relief fund for our neighbors to the north,” said Dennis Paul, Vice Chair of the Elevations Foundation. The fund was specifically earmarked for temporary housing for those individuals and families displaced by the fire. “Getting victims into a stable environment where they can begin to look to the future is critically important,” Paul went on to say.

The fund was launched on June 16<sup>th</sup> with a \$10,000.00 Challenge Grant from the Elevations Foundation, the philanthropic arm of Elevations Credit Union.

Elevations Credit Union is known for the good work they do in the community. Although its northern most presence is a branch office in Loveland, the credit union had members, friends and family that were directly affected by the High Park Fire. The Foundation was pleased to report that Elevations members and business partners contributed \$26,312.59 during the fund raising period which ended on July 6th. With guidance from the United Way of Larimer County

and the Ft. Collins Housing Authority, the Elevations Foundation was able to get these much needed resources into the right hands.
