

Business Energy Loan Disclosure

Elevations Credit Union is a contractor to certain municipalities and the energy efficiency loan product for which you are applying is governed by certain contractual, program, and U. S. Department of Energy requirements. As a condition of applying for this energy efficiency loan product, you hereby consent and agree to the following:

- Your business is required to enroll as a participant in your county's energy efficiency program for data collection purposes (we will assist you with the process and there is no obligation to participate in any particular services)
- We may share the following non-public information about your business with the county, your utility service providers, and the Department of Energy:
 - Customer Name (Business)
 - Principal owner, manager, or agent
 - Address (street, unit, city, state, zip)
 - Phone Number
 - Energy Efficiency Eligible Measure(s) Installed & Quantity
 - Completed affidavit of completion & final lien waiver
 - Loan Amount
 - Date Loan Approved
 - Loan Term
 - Interest Rate
- "Additional information may be shared in accordance with our Privacy Policy. See <https://www.elevationscu.com/privacy-notice> for our Privacy Notice on information sharing.
