

## **Consumer Energy Loan Disclosure**

Elevations Credit Union is a contractor to certain municipalities and the energy efficiency loan product for which you are applying is governed by certain contractual, program, and U. S. Department of Energy requirements. As a condition of your application for this energy efficiency loan product, you hereby consent and agree to the following:

- You are required to enroll as a participant in your county's energy efficiency program for data collection purposes (we will assist you with the process and there is no obligation to participate in any particular services)
- We may share the following non-public information with the county, your utility service providers, and the Department of Energy:
  - Customer Name
  - Address (street, unit, city, state, zip)
  - Phone Number
  - Energy Efficiency Eligible Measure(s) Installed & Quantity
  - Completed affidavit of completion & final lien waiver
  - Loan Amount
  - Date Loan Approved
  - Loan Term
  - Interest Rate
- "Additional information may be shared in accordance with our Privacy Policy. See <https://www.elevationscu.com/privacy-notice> for our Privacy Notice on information sharing.
