Elevations Partnership with Community Cycles a Bike Bonanza

Boulder, CO — Elevations Credit Union supports Community Cycles with Bike Drive and neighborhood party. During the month of May, Elevations has placed bike drop-off “pods” at five of its branches – over 50 bikes have been collected. “These bikes are great and sure to make their new riders very happy. We are excited to support such a great community organization,” said Dennis Paul, Elevations AVP of Business and Community Development. The bike drive culminates on June 2nd with a huge neighborhood party at Community Cycles. Everyone is invited. Each attendee that opens an account with the credit union on the 2nd has the choice of receiving a \$25 account opening bonus or directing that amount to Community Cycles.

“Elevations Credit Union has shown an unwavering commitment to our community. I am thrilled they selected Community Cycles as a partner. The bikes and funds we collect will help us keep old bikes out of the waste stream, teach bike mechanics and get more people riding bikes,” said Rich Points, Executive Director of Community Cycles. Community Cycles is a non-profit organization of bicycle enthusiasts whose mission is to educate and advocate for the safe use of bicycles as an affordable, viable and sustainable means of transportation and personal enjoyment within our community. Community Cycles provides re-cycled bikes and a welcoming space to learn about bicycle repair, maintenance and operation through outreach and advocacy activities.
