## **Elevations Credit Union Opens New Mortgage Loan Office in Broomfield**

*Headquarters Returns to Remodeled Diagonal Branch in Boulder*

**Boulder, CO** – September 4, 2018 – Boulder-based Elevations Credit Union recently announced the completion of its new mortgage loan office at 1 Environmental Way in Broomfield, as well as its newly renovated Elevations Headquarters at the Diagonal Branch in Boulder. The expansion is driven by unprecedented growth, as the credit union now has more than 130,000 members and over \$2 billion in assets. The new office spaces will allow the Elevations’ team to continue to support the credit union’s growth across the Front Range.

The new loan office, located on the first floor at 1 Environmental Way, provides more room for the growing mortgage team, which is the largest credit union mortgage lender in Colorado. It also provides closer proximity to the north Denver metro area. When completely built out, the facility will allow the credit union to consolidate staff in a larger administrative office, fostering a collaborative work environment.

The Headquarters at Diagonal Branch, located on the second floor of Elevations’ largest branch, will provide space for leadership staff, board meetings and community events.

“We are excited to return our headquarters to our flagship branch in Boulder, while growing the space for our mortgage team to the south,” said Michael Calcote, CFO. “Completing both construction projects gives us the opportunity to upgrade our physical space and technology, resulting in some very exciting and positive improvements for our workforce as they serve our growing member base.”
