Tech Upgrades Continue at Elevations

Boulder, CO — Elevations Credit Union has announced that as part of its technology upgrade initiative members now have access to free mobile banking apps for iPhone Android, Mobile Web and Text. “These are safe and secure access avenues that we are thrilled to be able to roll out to our membership,” said Les Boothby, Elevations Vice President of Remote Delivery. “With a technology savvy constituency Elevations sought to provide value added functionality that meets the demand of our membership,” Boothby went on to say. Partnering with Intuit Financial Services, Elevations was able to deliver a state of the art mobile banking environment. Mobile banking is a free service that allows members to access account information, view transaction history, transfer funds, pay bills, search for ATMs or branches, and even contact Elevations.

Elevations Credit Union, headquartered in Boulder, Colorado, was founded on the campus of the University of Colorado in 1952 and has evolved into a financial institution able to meet complex financial needs of consumers and businesses. Members enjoy free online banking and online bill pay, 9 branches serving Boulder and Broomfield Counties as well as Loveland, 4,500 shared branching service centers, and 28,000 CO-OP ATMs nationwide. With a solutions-based business model Elevations is uniquely tailored to assist the consumer in making informed decisions. Because of our outstanding service quality and suite of competitively priced products, we have been voted “Best Financial Institution” 12 times. We provide banking services to over 95,000 of your neighbors and friends and have over \$1.01 billion in assets. If you love where you live, it matters where you bank. Check us out at elevationscu.com
